WHAT TO KNOW FOR FIELD TRIPS:

1) FIELD TRIPS ARE OPTIONAL. Your camper is not required to attend field trips, however there will be no staff on campus during field trip times. If your camper is not participating in the trip, he or she will only be able to come before or after the field trip time.

2) EXTRA COST: Field trips are an additional cost on top of what you pay for the weekly or daily price. The costs vary for each field trip.

3) T- SHIRTS: T-shirts MUST be worn for every field trip or off-campus Summer Quest trip.

4) DRIVERS!: If these field trips sound fun and you feel like you're missing out, fear not! We are always in need of parent drivers. If you would like to volunteer as a driver for any of the trips, it would be greatly appreciated!!! Please complete the approved driver application form.

FAQ'S

???

DO I HAVE TO PACK SNACKS FOR MY CAMPER OR ARE SNACKS PROVIDED? We provide an afternoon snack for each camper. Please make sure to send them with a morning snack and lunch every day for camp! This includes field trips (unless specifically stated otherwise).

DO I REALLY HAVE TO SHOW MY ID EVERY TIME? Your child's safety is our absolute top priority. We have staff working different shifts and with such a high volume of kids, sometimes it's hard for every staff member to know every parent who comes through. As an added level of security, please be prepared to show ID at pick-up. If someone else is picking up your camper, please make sure that they are prepared to show ID as well.

CAN I HAVE SOMEONE WHO IS NOT ON THE PICK-UP LIST PICK UP MY CAMPER? Please make sure to add all possible pick-up people to your pick-up list on your camper's first day of camp. We do understand that plans change and things come up. If someone is picking up your camper who is not on your list, please notify at drop-off and give that person's info. Make sure that person also brings ID at pick-up.

WHAT CAN MY CAMPER BRING (OR NOT BRING) TO CAMP? **SUNSCREEN:** Your camper will be given sunscreen every day. However, if they have a special sunscreen they need to use, please send it with them. **TOYS and ELECTRONICS:** Please leave toys and electronics at home. We do not want them lost, traded or broken. We also want our campers to be able to participate in activities instead of using their electronics that they can use at home! If they do need to bring toys or electronics, please have them keep them in their backpack during the day.

WHAT SHOULD MY CAMPER WEAR TO SUMMER QUEST? Your camper should wear clothes that they feel comfortable in and can be active in! Please have them wear close-toed shoes. Layers are best as it can go from cold in the morning to very warm in the afternoon.
