

## Fifth Grade

### Required Supplies:

A **New International Version (NIV) Bible**, preferably one with a concordance. There is a resource in the back of some youth Bibles called a “dictionary concordance” which is more confusing and less thorough. If you can find one with a regular concordance, that would be best. This Bible should be one that can be left at school. If you have trouble finding one, please [click here](#). Several options pop up in various colors, etc. This is the same Bible for 3<sup>rd</sup> – 5<sup>th</sup> grade.
