S'MORE

Books!

Name: _____

Teacher: _____

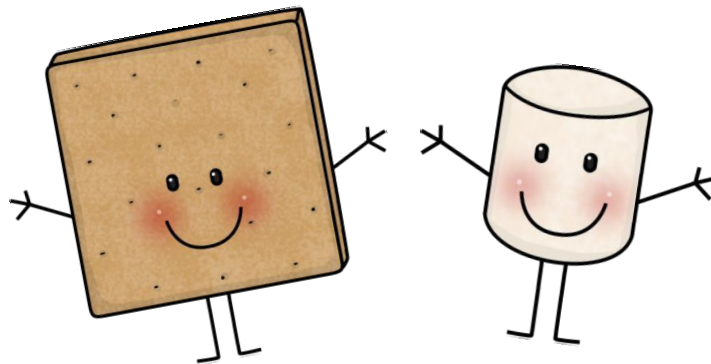

Dear Families:

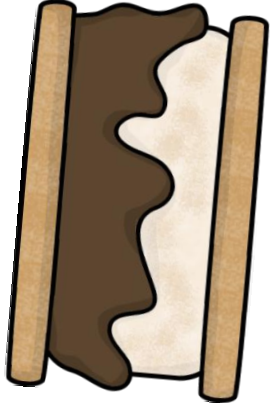

Summer is here, and it is the perfect time for **S'More** reading! This summer we are inviting all students to participate in the "**Read S'More Books**" Summer Reading program!

Students should be reading each and every day over the summer break to ensure that they continue to grow. Our fun reading program will help your child stay sharp over the summer and return to school in September ready to learn!

Each student should complete the attached **S'Mores** reading log to track their books and number of minutes spent reading. During the first week of school students should return their logs to earn prizes! Students who complete the book summary sheets will earn additional prizes. The top readers from each class will participate in a special party!

Happy reading! Don't forget to **Read S'More Books!**
