

## THIRD GRADE

- 1 folder with pockets
- 2 packs of pencils [Ticonderoga preferred but not required]
- \$5 for extra supplies [such as oil pastels and white board erasers]
- 1 composition notebook [full page, lined]
- 3 fine tip black Sharpies or black flair pens
- 1 pack of normal width Sharpies
- 1 box of colored pencils
- 1 pair of scissors
- 1 box of tissues
- 1 pack skinny dry erase markers [for student's white boards]
- Markers (optional)
- 1 container of hand/wet wipes
- 1 pack of glue sticks
- 1 reusable water bottle with straw type open and close for fewer spills [this will stay in our class]
- A New International Version Bible. If you need to buy one this is a great option [Thinline Value Large Print](#) Bible. Please, no study Bibles and large print not required.
- A 1-inch three-ring binder. FYI, the ones that we've found work the best are 1 ½ inch Avery Heavy-Duty (or Durable) View binders with EZ-turn rings. You don't have to get that exact binder but the one you buy does need some very specific things:
  - It needs to have pockets inside the front and back covers.
  - It needs to have a clear plastic over the outside front and back covers into which a paper can be slid (usually called a 'view' binder).
- 1 [recorder](#) for music class
