- [ ] A 1 ½ inch three-ring binder. The ones that we've found work the best are 1 ½ Avery Heavy-Duty (or Durable) View binders with EZ-turn rings. You don't have to get that exact binder but the one you buy does need some very specific things:
    - [ ] Needs to have pockets inside the front and back covers
    - [ ] Needs to have a place where a paper can be slid into the outside front and back covers (usually called "view" binder)
    - [ ] Double check to see all these features are present
    - [ ] Bring the binder empty the first day and we will set it up together
- [ ] NOTE: Your Gradelink account will be charged $10 to cover the cost of classroom supplies and "Gold" binder inserts.
